2019 Barossa Vintage Festival: Charlie's Got The Blues!

The Charles Melton Wines 'Good Time Charlie's Got The Blues' is now a well-established part of the Vintage Festival and a great way to let down your hair after vintage.

Join us for a little twilight twang on the night featuring two fabulous bands belting out blues and rock classics that will have your head bobbing and your toes tapping!

Enjoy a delicious meal; the perfect accompaniment to our premium reds, and the bar will be open for sales of all our premium Barossa red wines.

You will be able to listen and dance to a little slidin' delta blues and some bush band merriment as the two bands keep the energy high. Set up in the winery, the venue provides the perfect undercover venue for a cool Autumn night of fun.

Tickets include entry, a meal and a glass of red from our Family Series Wines, including the highly regarded Rose of Virginia. Charlie and the Charles Melton Gang look forward to welcoming you this Vintage Festival!

Langton's Classification Announcement!

Nine Popes elevated to 'Outstanding' status

Some 30 years ago Stewart Langton and Andrew Caillard compiled the classification of the leading wines of Australia. Almost three decades on from its inception, the classifications authority is firmly entrenched around the world.

The seventh edition - unveiled on September 1st 2018 - features 136 wines and incorporates a number of important changes and additions. In its early years the classification successfully strengthened the fledgling market for fine Australian wine. It is now arguably the most famous and respected wine classification outside Europe.

Our Nine Popes has been on the classification for the last 20 years and it was especially pleasing for us to find that Nine Popes has been elevated from the "excellent" to "outstanding" tier.

We look forward to showing you past and future Nine Popes vintages.

The Charles Melton Team.
