Here at Charles Melton Wines we're committed to providing our customers with a thorough and well-presented wine tasting experience. In order to achieve this, we have recognised that larger groups of people require special attention. With this in mind, we have developed the opportunity for larger groups to come to the Cellar Door at a pre-booked time. This enables you to enjoy the wine tasting with the full attention of a staff member dedicated solely to your group.

We are recognised by many wine journalists and tourist groups for our warmth of welcome and the depth of wine knowledge of our staff, as well as the high quality of the wines, served in a relaxed but educative manner.

We offer one private tasting a day on the weekends.

10.00am

And between 11am and 4pm on weekdays.

The tasting is held under our new verandah which features our current vintages and there is a small, non-refundable charge. We also provide freshly baked Apex bread and local Extra Virgin Olive Oil.
